03

Confirm

Confirm the quotation and we prepare your order from stock.

04

Delivery

Delivered to your venue, with the invoice and signed delivery note by email.

TRADITIONAL

Challenger

A traditional hookah, redefined and modernised. A 76 cm satin-black stem with a stainless steel downstem, a lockable tray, a hose port and a purge valve, on the Traditional Glass Base. Sold as a complete set with the Silicone Hose Set, a Glass Base Protector and a full set of grommets, ready to smoke out of the box.

IN THE SET

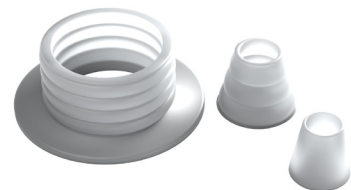

The stem, and everything it needs.

Challenger Stem

Traditional Glass Base

Silicone Grommet Set

Silicone Hose Set

Glass Base Protector

DSCHINNI

Glass hookahs from Germany.

DSCHINNI

Aqua

A statement hookah from the German brand Dschinni, made of laboratory-grade glass and standing on a glass secondary base. Fill the base with coloured water, or even fruit.

NIKOTENE

Phunnel Bowl

A phunnel bowl in five colours. The raised centre keeps the juice out of the stem. Works with foil and most HMDs, including the Ignis-Venus.
