ABOUT HOOKAH JOHN

Handmade American hookah bowls.

Hookah John has been designing hookah bowls for over 15 years. Every one is made 100% by hand in the US from Hookah John's own blend of American clay, the key to retaining and dissipating heat properly. John, featured on Bar Rescue as a hookah expert, keeps one rule: only sell products he regularly uses himself. Being handmade, every bowl varies slightly in glaze and shape.
